

Power Clamp Standard S10(W1) and Acid Resistant S50(W5)

S10

S50

A very strong heavy duty double band clamp. Also available in a double screw version for extra clamping force. Both "single" and "double" are available in standard version and in stainless steel 316/S50.

Power Clamp - S10(W1): Electro zink plated

Power Clamp - S50(W5): All parts are made of SS2343/AISI 316 stainless steel.
